with Denis Brown
\$45

Pre and Post AOCC Workshop
Friday, October 20 OR
Sunday, October 22
9 AM TILL 4 PM

Max. 20 students

Portland location to be announced

Flourishes are perhaps where calligraphy is at its most calligraphic. The spontaneous ejection from a letter stroke, accelerating into a freely written flourish, is a joy to perform and behold. We will look at simple flourishes and italic swash capitals, using Denis' method of dynamic strokes and the one-shot let it fly approach. Intermediate & advanced level recommended but to quote Denis "all are welcome who are enthusiastic to give it a go."

Tools and Materials: Broad edged calligraphy felt-tip markers, calligraphy dip-pens: (Brause size 3mm & 4mm particularly suggested in addition to students own preferred brand), ink, gouache paints, palette, mixing brushes, ruler, pencils, eraser, compass, paper for practice and one or two quality sheets.
