

*February 20-22, 2009*  
*Annual Menucha Retreat*  
*in the beautiful Columbia Gorge*  
*It's a REUNION!*

sponsored by Portland Society for Calligraphy

We invite you to come and share in the relaxing and stimulating weekend that has been so special to all of us for so many years. New participants are welcome to come enjoy this amazing weekend of sharing with fellow calligraphers.

The food is just as wonderful (special needs available), the mattresses are new, there is hot water for all and new tables to work on in the cozy main building. We'll be using bottom bunks only. You always have a choice of working on your own or participating with the guest artist. Check their website [www.menchu.org](http://www.menchu.org)

Our featured guest artist is Flo Cole Wilkins. Flo will be teaching her unique, instantly successful way of working with watercolors. The format will be group instruction and projects on Friday night and Saturday morning and afternoon sessions self-selected by experience level. Sunday is time for individual or small group help. Flo will share the magic that is watercolor and help us develop layout ideas for a finished piece that we may work on. You may purchase watercolor supplies at Menucha or bring your own. A basic supply list will be sent with confirmation.
